Reset Teeth*

*Note: NorthStar does not offer a warranty on fit for appliances with reset teeth.

3	2	1		1	2	3
3	2	1		1	2	3

Extracted Teeth

Please indicate all teeth that will be extracted.

3	2	1		1	2	3
3	2	1		1	2	3

Space Management

Please indicate where we should leave space if applicable.

3	2	1		1	2	3

Spread evenly across reset teeth.

Overcorrection
I prefer to have NorthStar overcorrect when resetting teeth.

Reset to Ideal
I prefer to have NorthStar reset to best outcome when resetting teeth.

- U L **Spring Complete w/Helical Mushroom**
- U L **Spring Complete w/Helix Coil**
- U L **Standard Anterior Spring**
- U L **Anterior Spring w/Wire Extensions**

Invisible Aligners

U L **Invisible Aligners**

Invisible aligners are crystal clear, thin, removable appliances that produce small, incremental changes in tooth position. They look good, feel good, and under the right conditions produce excellent results. Our aligners are manufactured using plastics that are proven to be non-staining, virtually indestructible, and provide just the right amount of flex for proper tooth movement.

Quantity

- Individual
- Set of 3
- Please include an Invisible Retainer (Additional Fee).

Cut

- Scalloped
- Straight Cut
- End Distal: 5 6 7
- Most Distal Possible
